PROLINE® MASTER GAS WATER HEATERS

8-YEAR WARRANTY • COMMERCIAL-GRADE COMPONENTS

The ProLine Master family of gas water heaters offers a wide range of water heating solutions, all with a commercial-grade, wholesale-focused design. All American products use Coregard™ stainless steel core anode rods, but the ProLine Master Series has increased anode protection with either larger or multiple anodes depending on model. Ultra-low NOx units are available where required.

PROLINE® MASTER ELECTRIC WATER HEATERS

8-YEAR WARRANTY • COMMERCIAL-GRADE COMPONENTS

The ProLine Master family of electric water heaters offers a wide range of water heating solutions, all with a commercial-grade, wholesale-focused design. Like the gas models, ProLine Master products have increased anode protection with either larger or multiple Coregard™ stainless steel core anodes depending on model. ProLine Master products are also outfitted with longer lasting, stainless steel upper and lower elements that are modeled after those used in our industry leading commercial line.
